Thanks Brian.

Turns out all of the CA SIPs from 1979 are available on line from EPA's library. You can use this link to access the library. Some documents are only in hard copy, but most are available on line. I search for the county name, and limit the years to 1977-1980 to search for these SIPs. Lots of other interesting documents in the library. Check it out!

Thank you Laura. Especially since we did not have this document in CARB's SIP library.

This afternoon Ariel Fideldy in Carol Sutkis' section found a copy of Kern County's 1986 Air Quality Plan in CARB's SIP Library, which I've attached.

Hi Brian,
I was able to locate this 1978 copy of Kern's SIP.

Hope it is useful.
